ILLINOIS STATE UNIVERSITY COLLEGE DEMOCRATS

Dear Democratic National Committee Member,

We are writing to you on behalf of the 100 plus members of the Illinois State University College Democrats. Recently we had a chance to reflect on the 2004 election and have begun to look forward to 2006, 2008, and beyond. We believe that one of the changes necessary to bringing our party back to the majority is by electing a Chairman for the Democratic National Committee that will work hard for our values and our beliefs. We believe the man for that job is Simon Rosenberg.

Mr. Rosenberg has a strong track record of success in electing Democrats and has shown the leadership necessary to lead our party. Mr. Rosenberg's plan to build the party from the grassroots level, by focusing on local parties and state parties is a plan we wholeheartedly believe in.

It is not only Mr. Rosenberg's future plans for the party that we believe will make him the man to carry our party into the future. We also believe that his record at the New Democrat Network (NDN) is a good indication of things to come. While leading the NDN Mr. Rosenberg crafted a strategy that helped achieve great success creating a modern agenda that appealed to wide array of voters.

We believe very strongly in the ideas and the track record of Simon Rosenberg. We the Illinois State University College Democrats would like you to consider the candidacy of Simon Rosenberg for the Chairman of the Democratic National Committee. If you would like more information on Simon Rosenberg please consult his webpage www.simonforchair.com or feel free to contact us at isudems@isudems.com.

Thank you again for your service to the Democratic Party.
