College Dems Welcome Lt. Gov Quinn to Kickoff Support the Troops Drive

The Illinois State University College Democrats will be kicking off their support the troops drive on Tuesday March 29th. The College Dems will be joined by the College Republicans to take part in this bipartisan effort. Illinois' Lieutenant Governor Pat Quinn will be joining the two groups to kick off the drive.

Lieutenant Governor Quinn was elected in 2002. Since being sworn in one of his key issues has been supporting the troops fighting overseas. Quinn led the charge to create the Illinois Military Family Relief Act, which provides assistance to families of Illinois National Guard members and reservists fighting overseas. For more information on the Illinois Military Family Relief Act go to www.operationhomefront.org.
