Membership: Currently there are over 1,200 College Democrats chapters in all fifty states. The ISU College Dems currently has over 100 active members.

History: College Dems of America was founded in 1932 to boost the presidential campaign of Franklin Delano Roosevelt. It has become one largest student political organizations in the nation. With the Clinton/Gore campaign as its catalyst, CDA grew to nearly 500 chapters and more than 50,000 members by the 1992 election. In the years since 1992, CDA has proven its commitment to the Democratic Party. Additionally, CDA is a key entity in electing Democrats, training students to work on and manage campaigns, and promoting campus activism. It sponsors voter registration drives and heightens student political awareness all across the country.

Mission Statement: It is the mission of the ISU College Dems to help elect Democrats to all levels of government and to raise the civic participation among the students of ISU.
